

WINSTON IS — A PERSON

Winston proves that even under totalitarian rule, he's able to produce his own thoughts and show person-like qualities.

Evidence within Book

- Often recalls memories (personal and state of London)
- Works in the Ministry of Truth, has to construct false stories
 - "doublethink"
- Ministry of Love: acknowledges and questions his existence

Connection with Material

- Anthony MacIsaac: "A person is able... to reflect on the past"
- Robert Griffiths: have certain cognition (awareness, understanding through thought)
 - Expresses a relationship of concern we have for certain beings (including self)
