

We wish for a bigger campus  
We want a bigger campus to expand our programs reaching further into  
our careers.

We Demand More parking!

We want more students to arrive on time and excel  
in classes

More Security for our campus!

SJSU is in downtown SJ, where it can be unsafe. We need  
more security to ensure protection of students.

# MAKE IT TRANSFORMING HAPPEN SJSU

Reduce cost of attending SJSU is necessary!

The cost is too high, making students less likely to attend.

Renovations must be made!

Students must feel motivated to come to class with more  
modern classrooms.
