

SJSU EXPOSED

Fair Funding

o Scholarships

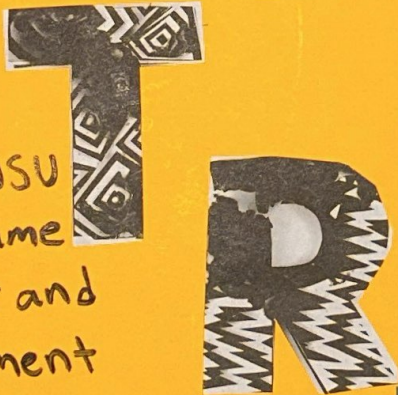

- We demand that there is more even distribution of scholarships between sports to provide equal opportunities for all aspiring athletes

o Equipment and Gear

- We demand that all SJSU teams are given the same gear budget per player and equal access to equipment

o Spending Necessities

- We demand that funding from the school is spent responsibly e.g. football gets a private jet, other sports can't afford a team bus

Academic Assistance

o clearer Guidance

- We demand more guidance when choosing classes or majors

o International Support

- We demand guidance for international students that are unaware of the U.S. schooling system
