स्वामोक्ष! अदालत जारी है is one of Vijay Tendulkar's most successful plays. The Marathi original, शान्तता! कोर्ट चालू आहे was inspired by the motion picture *We're No Angels* directed by Michael Curtiz, the novel *A Dangerous Game* by Friedrich Durrenmatt, as well as Acharya Atre's *Dr. Lagoo* and J. B. Priestley's *Time Plays*. It unfolds a highly unusual, sometimes shocking plot in an atmosphere of light-hearted banter. When first published in 1967, it firmly established Vijay Tendulkar as one of India's foremost playwrights. It has been translated into many languages and staged successfully all over India. The Hindi translation is by Sarojini Verma.
