

STUDENT MANIFESTO

POWER

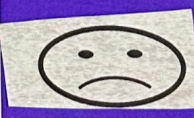

Free Parking!
MORE!
We would like to park on campus, free of charge, as students, as well as more parking in general.

4) We Demand More Food Options at SISU
We believe the current food options are old and not as inclusive. We demand more options in the dining hall!

WE ALL DESERVE

We Want Stronger student Body
We would like a stronger and more involved student body and community

We want more availability with advisors
We would like a more efficient way to meet with academic advisors. When scheduling, it can take weeks to be able to meet with an advisor.

REBEL

WE WANT
BETTER FACILITIES
We would like newer buildings as well as renovated dorm/stories
