

We demand better parking garages with bigger spaces.

- parking takes forever due to lack of spaces

We believe more study spaces for students should be provided.

- There is limited options to allow students to feel productive.

We recognize that campus does not have proper safety precautions.

- In the midst of downtown, we need more safety.

We demand more time slots for classes to be made.

- Class conflicts, so aligning schedule while meeting GE is difficult.

We want better communication from teachers and administration.

- Student success comes directly from the teacher and especially psych classes need to be communicating

MANIFESTO

TO A BETTER

STUDENT LIFE

We demand a cheaper parking pass.

- We are broke college students that can't afford permit or tickets

MC DONALDS

We demand that no finals should be on the weekends.

We recognize the lack of food options in the dining hall.

- We want more options for dietary restrictions and to meet dietary needs.

We believe more food options on & around campus should be made.

- Some students don't have the funds and would rather not eat or get junk food since it's cheaper.

- The weekends are for us to rest, and have fun. Plus, most of us already have homework on the weekends
